**NB:**

1) the increase in number of hours per semester is due to the successive evaluations in ending semesters each semester carry 40 credits, meaning 4 courses of 10 credits each. With new program where a module of 10 credits will have at least 45 hours OR 60hours/contact, then we will only need 180 hours to cover 4 modules of 10 credits. But remember, there are some professional modules for which we proposed to add/ remain with its contact hours

2) The commemoration of genocide against Tutsi on National level as well as for Nyanza district are not included in this calendar

NB: 480 Contact hours(60%)=800 Hours  
Equivalent to 80 credits
